Wedding Guidelines

Your personal Mauna Kea Beach Hotel romance specialist will assist you every step of the way. These general guidelines will help you begin the planning process.

Creating unique and once in a lifetime memories is our specialty. Begin by selecting a wedding package for your **“Best Day Ever!”**

The food & beverage minimum is not a package but states the minimum amount you need to spend towards food and/or beverage through our Catering/Banquet Departments.

For weddings at Mauna Kea Beach Hotel, a minimum of ten room nights is required.

To ensure the preferred space for your ceremony and reception, we encourage confirmation via a signed agreement nine months prior to your wedding date.

A non-refundable deposit of \$9,500 further guarantees your space of choice. The deposit is applied to your wedding package.

Packages, food and beverage minimums and deposit requirements are subject to change without notice. All rates are subject to Hawaii State General Excise Tax of 4.712%, which is subject to change without notice.

Mauna Kea Resort offers on-site staff support to ensure each event is executed perfectly on your big day.

A **Romance Specialist**, your on-property professional, will be able to concentrate on specific areas of need to help carry out a flawless event.

Specifically, **Romance Specialists** oversee bookings, logistics and provides on-site coordination within various resort departments to guarantee a stress-free event. At its core, our Special Events Team is here to help create unforgettable memories, to last a lifetime.

Wedding Planners can assist with venue selections, wedding design, and day-of coordination down to the smallest detail. They help with pre-planning and executing your perfect wedding ceremony and celebration alongside the resort's Romance Specialist.

Marriage License

A marriage license must be obtained in the State of Hawaii prior to your wedding. You may complete a marriage license application online at <https://marriage.ehawaii.gov>

Both parties to the marriage must appear personally before the marriage license agent with valid government issued photo identification.
