BRIGHTEN. HYDRATE. GLOW.

Reveal radiant, healthy-looking skin with this tropical body ritual inspired by Hawai'i's healing botanicals. The BRIGHT Body Polish, featuring Hawaiian turmeric, ginger, lime, and coconut, gently exfoliates and renews the skin's natural glow.

A flowing Lomilomi massage with nutrient-rich botanical oils infused with ‘Ōlena and ginger follows, while a nourishing scalp treatment enhances relaxation.

The result is silky-smooth, deeply hydrated skin and a renewed sense of vitality, leaving you energized, confident, and refreshed.
