Wedding Guidelines

Your personal Mauna Kea Beach Hotel wedding specialist will assist you every step of the way. These general guidelines will help you begin the planning process.

Creating unique and once in a lifetime memories is our specialty. Begin by selecting a wedding package for your *“Best Day Ever!”*

The food & beverage minimum is not a package but states the minimum amount you need to spend towards food and/or beverage through our Catering/Banquet Departments on your wedding day.

For weddings at Mauna Kea Beach Hotel, a minimum of ten room nights is required.

A non-refundable deposit of \$10,000.00 is due at the time of signing your Wedding Agreement which guarantees your date and choice of venue locations. The deposit is applied to your overall wedding expenditure.

Packages, food and beverage minimums and deposit requirements are subject to change without notice. All rates are subject to Hawai'i State General Excise Tax of 4.712%, which is subject to change without notice.

Wedding Guidelines

Mauna Kea Resort offers on-site staff support to ensure each event is executed perfectly on your big day.

A *Wedding Specialist*, your on-property professional, will concentrate on venue-specific logistics such as: Venue Selections, Food & Beverage Selections, and Room Block Management to ensure a flawless event.

A *Wedding Planner* will concentrate on pre-planning and event execution tasks such as wedding design, vendor coordination, and event day management. They act as a liaison to the resort Wedding Specialist in executing your perfect wedding celebration.

For weddings with 50 guests or more, we require at minimum a month-of wedding planner to ensure seamless coordination and execution of your special day. This helps guarantee that every detail is attended to, allowing you and your guests to fully enjoy the celebration.

Marriage License Requirements in the State of Hawai'i

A marriage license must be obtained in the State of Hawai'i prior to your wedding. You may complete a marriage license application online at <https://marriage.ehawaii.gov>. Both parties to the marriage must appear personally before the marriage license agent with valid government issued photo identification.
